To the **Organizers of the European's Women Championship 2015**
Chief Arbiter of the European's Women Championship 2015
European Chess Union

Dear Sirs,

Romanian Chess Federation, being aware about some allegations regarding the possible cheating by the Romanian Player **WGM Mihaela SANDU** during **EWICC 2015** which is happening in these days in **Chakvi - GEORGIA**, hereby ask you to observe strictly the FIDE Anti Cheating regulations and FIDE Ethic rules in this situation.

This field was recently regulated by FIDE in what regarding cheating cases, false accusations and sanctions and that is why we draw your special attention in dealing with the situation. In this particular case, it is clear when a Cheating Complaint, without any evidence or clue, was forwarded in the stage when Mihaela SANDU was leading the tournament, that a big pressure was put on her. Here we mention also the negative atmosphere around the case and that she is complaining about severe harassments, situation that clearly affects the capacity of Mihaela SANDU to compete at her best.

The Romanian Chess Federation (RCF) states that Mihaela SANDU had a irreproachable fair play attitude during all her chess career and express its will to support and protect Mihaela SANDU against any breach of Anti cheating or Ethics rules and kindly ask you to inform RCF about the entire situation and what actions were taken by the arbiters and organizers.

We assure you that our federation is supporting FIDE anti cheating policy, including the protection against false accusations and for the sake of chess, we ask your strong support in assuring a proper environment during the EWICC 2015.

Sincerely,
Vladimir DANILOV
